Video Stock Footage License Agreement

The license for the use of footage for any of Silicon Run Productions videos includes the following costs and conditions:

1. The video footage is to be used one-time only for the specified project.
2. Credit is to be given, as applicable, in the following way:
“Manufacturing Footage Courtesy of Silicon Run Productions, www.siliconrun.com”
3. Any additional expenses, including digital transfer fees, are in addition to the rate per second fee and are the responsibility of the licensee. Any DVD with time code window provided by SRP must be returned upon completion.
4. The use of Silicon Run Productions video footage implies that the licensee is in agreement with these conditions.
